## GENERAL FISHING REGULATIONS

The following includes a partial listing of regulations applicable to **Non-Tribal fishing** on the Jicarilla Apache Nation. For a complete listing of regulations refer to Title 10, the Game and Fish Conservation Code. The Jicarilla Apache Nation, its officers and agents are not responsible for injuries, accidents, deaths or theft which occur while fishing or recreating on the Jicarilla Apache Nation. **Minnows:** Possession or transportation of minnows on the Nation is strictly prohibited. Such transportation or possession of minnows constitutes a CLASS D offense, punishable by a mandatory \$500.00 fine and possible forfeiture of vehicles, equipment and boats used in such possession or transport. This provision is STRICTLY enforced on the Nation.

- Fishing Permits:** It is unlawful to fish Nation waters without a valid Jicarilla Apache fishing permit **on person**. Anglers **do not** need a NM State Fishing Permit to fish Nation waters.
- Permitted Bait:** Non-fish and non-amphibian baits such as corn or other vegetable matter, worms, insects, commercially processed salmon eggs, and other non-prohibited baits are permitted in all lakes **except Stone Lake**.
- Prohibited Bait:** The use of **ANY** live, dead, or cut part of fish or amphibians as bait is strictly prohibited in all waters of the Nation.
- Barbless Hooks:** It is unlawful to fish with a barbed hook in Stone Lake.
- Fishing Methods:** Fish may be taken only by hook and line. **For bait fishing, there is a limit of one (1) line and two (2) baited hooks, per angler. For fishing with artificial lures, there is a limit of one (1) line and two (2) artificial lures.** A single, double or treble hook, if attached on the same shaft, shall be considered as one (1) hook.
- Fishing Duration:** It is unlawful to continue fishing after the legal bag limit of fish is caught and retained for human consumption.
- Fishing Hours:** At all lakes, excluding Mundo Lake and Dulce Lake, fishing is permitted from one-half hour before sunrise to one-half hour after sunset. At Mundo Lake and Dulce Lake, fishing is permitted 24 hours a day.
- Designated Fishing Areas:** Jicarilla Non-tribal fishing permits are valid for the following lakes and streams: Dulce Lake, Enbom Lake, Horse Lake, Mundo Lake, Stone Lake and the Navajo River.
- Fish in Excess of Limit:** It is unlawful to take fish from any waters on the Nation in excess of the number permitted by Tribal Regulations. All fish possessed by violators shall be seized and forfeited to the Tribe.
- Navajo River and Amargo Creek. All minnows, suckers, and Roundtail Chub (White Fish) must be immediately released alive and unharmed into the waters they were captured from. SEE MINNOW DEFINITION!**
- Snagging.** Snagging fish with a lure, treble-hook, snagging hook or any other device is strictly prohibited in all Nation waters.
- Taking Amphibians, Crustaceans, Mollusks, or Reptiles:** A special permit is required to take any amphibians, crustaceans, mollusks or reptiles in any manner or place not permitted by Tribal regulations.
- Unauthorized Taking, Transporting, or Sale of Fish:** It is unlawful to take, possess, transport, import, trade, buy, sell or offer for sale any fish within the Nation, except as permitted by this Title or Tribal regulations.
- Fishing Pole Attendance:** Anglers must attend to their fishing pole at all times. The use of more than one pole, or more than one line, at a time is prohibited (except during ice fishing, #22). For purposes of this regulation, attendance shall be defined as physically being within fifty (50) feet of the fishing pole.
- Chumming:** It is unlawful to place or spread bait in fishing waters for the purpose of attracting fish.

16. **Waste of Game:** It is unlawful to waste fish by failing to transport the edible portions of the meat of game fish to a place for human consumption or to provide for the human consumption thereof. It shall be lawful to dispose of obviously diseased or parasitized fish into a proper waste receptacle.
17. **Dogs:** All dogs must be either on a leash or within voice control of its owner.
18. **Vehicles on Designated Roads Only:** It is unlawful to drive or park a motor vehicle on a road posted as "no vehicles" or "authorized vehicles only" or on an area where no road clearly exists.
19. **Cleaning Fish:** It is unlawful to discard fish entrails or other fish parts in streams, springs or lakes of the Nation. Fish may be cleaned while in fishing areas, but the entrails and other discarded parts must be disposed of in a proper manner (a trash can).
20. **Using Explosives or Poisons:** It is unlawful to use any explosive compound or corrosive, narcotic, poison or other deleterious substance for the purpose of taking, stunning or killing fish.
21. **Ice Fishing:** It is unlawful to cut a hole larger than ten (10) inches in diameter for ice fishing, or to build a campfire on the frozen surface of a lake or stream. Two poles per angler will be allowed during ice fishing. All other regulations apply. (Dec. 15, 2019- March 15, 2020)
22. **Recall of Permits:** All permits are issued subject to the condition that the Department Director has the right to recall and amend any provision of a permit, for just cause, at any time during its term.
