Attention Non-Tribal Member Anglers:

The Jicarilla Game & Fish Department is tentatively planning to open Non-Tribal Fishing at our world-famous lakes starting in the Fall of 2021.

We understand what fishing at our lakes means to you, and hope you know that your contribution to recreational fisheries and fish conservation is significant and means a lot to us. Please look forward to updates as they become available on the fishing blog.

We are slowly re-integrating into the office and field season is right around the corner. Please contact The Fish Crew at jicarillafishqs@gmail.com or via phone at the office (575)-759-3255.

Please stay safe and we hope to see you soon,

~The Fish Crew
